AVPL International is a leading force in the drone ecosystem with Type certification for our agriculture drones and Multiple RPTOs Across India. We have a presence across 12 states, featuring **50 Global Skill and Incubation Hubs** and **20 World Skill and Incubation Hubs** dedicated exclusively to the Drone and Agriculture sectors. We offer **Drone and Skill Training, Drone as a Service (DaaS), Drone Manufacturing**, along with a chain of **agri-input retail outlets** across India. We are also working towards the upliftment of rural youth by providing **international and competitive training** for global employment.

SPH Aviation Pvt. Ltd. (An AVPL Subsidiary) Established in 2022, we're your premier destination for UAV training in India. Authorized by the **Directorate General of Civil Aviation**, we're committed to shaping professional UAV pilots with a paramount focus on safety and security. Led by experienced instructors boasting over 500 hours of flying expertise, we offer comprehensive programs tailored for college students, farmers, corporate professionals, and more, as approved by the DGCA. With four DGCA authorized Remote Pilot Training Organizations located in **Gurgaon (18/2023), Jhajjar (01/2024), Sirsa (04/2024), and Sonipat (07/2024)**, we're expanding our reach to ensure accessibility and convenience for aspiring drone pilots across India.
